

USE OF WORK BY FOREIGN ARTISTS

What procedure must I follow if I want to use a work by a foreign artist?

1

FIND A REPRESENTATIVE

First you must find out if the artist is represented by a copyright collective.

2

COPYRIGHT COLLECTIVE MEMBER

Contact the artist directly or get in touch with the copyright collective to obtain authorization for use.

3

NOT A MEMBER OF A COPYRIGHT COLLECTIVE

- Contact the artist directly to obtain authorization for use.
- Describe in detail what will be used and how exactly you plan to use it, e.g. say which part of a performance will be shown, send a photograph of how the work will be displayed, state how many copies will be printed, etc.
- Suggest a copyright fee for the planned use.
